ONE GOAL: STUDENT SUCCESS

## Learn More About Ohio's Learning Standards and Assessments

The Ohio Standard Coalition would like to engage you in a conversation about your child's education. We invite you to join us for a live telephone town hall to discuss Ohio's Learning Standards and tests in your child's school. If you join, you will hear from local educators and Ohio Department of Education staff about Ohio's academic standards, the upcoming PARCC score release and Ohio's New State Tests. You will also have the opportunity to have your questions answered live.
